Planning for the Future of your Solid Waste Facility

**October 21-23, 2014
Lewistown, Montana**

YOGO Inn

Tuesday, 10/21, 8am-5pm

Wednesday, 10/22, 8am-5pm

Thursday, 10/23, 8am-noon

What needs to happen with your solid waste facility in the next 5, 10, or 15 years? Will you have the funding available for needed equipment and capital projects like new landfill cells and closures? Are your tipping fees and reserves adequate to pay for these needed improvements? Proper planning will allow you to better communicate your revenue needs with decision makers and the public. Start planning now by attending this course!
